## Health & Safety Rules

- Children must always be supervised by an adult.
- Always wear gloves and/or use a litter picker.
- Always wash your hands afterwards.
- Be careful of slippery rocks and other hazards such as lifting heavy objects.
- Sharp objects must be treated with extreme care.
- Never handle a syringe.
- Try to avoid touching your face, especially your mouth and eyes, during a clean-up.
- Do not touch any containers or drums - they may contain hazardous substances.
- Do not take risks near water and do not enter the water to collect rubbish.
- Wear visible protective clothing if possible and sun screen if needed.
- Be aware of the tide.
- Bear in mind your task is not to police the beach just to clean it. Do not get into confrontation with people.
- If you require assistance contact **086 170 6610**.
